Dutch Sheets has, over the last 17 years, given his heart and life to fulfill the call of God in bringing an awakening and a reformation to both the body of Christ and to the Government of America. In remaining faithful to this assignment, Apostle Dutch has led the local congregation in Colorado Springs known as Freedom and founded both [Dutch Sheets Ministries](#) and the United States Alliance for Reformation as venues to sound a call to the body of Christ. He has authored many books, including the bestseller *Intercessory Prayer (The Lightning of God)* which has been translated into over 17 different languages.

Information on the other speakers, registration information, directions and conference schedule are accessible online.

This a rare opportunity to see some of the best speakers and motivators of the Body of Christ right here in Central New York.
